PROFESSIONAL SUMMARY

Full Stack Engineer with 2+ years of experience building secure, scalable microservices, RESTful APIs, and cross-platform mobile apps (React Native, Android, iOS). Experienced in AI agents and RAG pipelines with Microsoft Azure AI Foundry, with full SDLC ownership from client requirements to production deployment in Agile teams.

TECHNICAL SKILLS

- Programming Languages:** Java, Kotlin, Go, Python, SQL, JavaScript, TypeScript, Swift
- Backend & Frameworks:** FastAPI, Microservices, Spring Boot, Spring MVC, Spring Security, Spring Data JPA, Hibernate, REST APIs, GraphQL, gRPC, WebSockets, Event-Driven Architecture, Resilience4j, OpenFeign, Unit Testing, Swagger
- Mobile Development:** React Native, Android (Java/Kotlin), iOS (Swift), Cross-Platform Development
- AI:** Spring AI, Azure OpenAI, Microsoft Azure AI Foundry, Document Intelligence, RAG (Retrieval-Augmented Generation), AI Agents, Vector Embeddings, Prompt Engineering
- Databases & Messaging:** PostgreSQL, Azure SQL Server, MongoDB, Redis, Apache Kafka, Elasticsearch
- Cloud & DevOps:** Microsoft Azure, Docker, Kubernetes, CI/CD, Release Management, Environment Management
- Engineering Practices:** SDLC, System Design, Design Patterns, Secure Coding, Requirement Analysis, Requirement Traceability Matrix (RTM), Effort Estimation, Software Metrics, Technical Documentation
- Tools & Methodologies:** Git, IntelliJ IDEA, Gradle, Maven, Postman, Agile, Scrum

EXPERIENCE

- Full Stack Engineer** Aug 2024 – Present
Web Synergies India Ltd (A Yokogawa Company) Bengaluru, India
- Improved API response times by **24%** through secure **Java Spring Boot** microservices and **RESTful APIs** built with **Spring Security**, **JWT**, and **RBAC**.
 - Increased system throughput by **72%** via **SQL** query optimization and **Redis** caching, reducing database load.
 - Shipped **2** cross-platform mobile applications using **React Native** with native **Android (Kotlin)** and **iOS (Swift)** modules, serving **1,000+** active users from a single codebase.
 - Built **AI agents** and **RAG** pipelines on **Microsoft Azure AI Foundry**, cutting internal document search time by **70%** across **10,000+** enterprise documents.
 - Led **100%** of client communication as the sole client-facing engineer, running **5+** weekly requirement and status meetings and maintaining **Requirement Traceability Matrix (RTM)** coverage for all deliverables.
 - Achieved **99.9%** deployment success with near-zero downtime by automating **CI/CD** pipelines across **4** environments (**Dev, SIT, UAT, Production**).
 - Resolved **50+** production incidents, managed release coordination and environment configuration, and delivered **Knowledge Transfer (KT)** sessions to **QA** teams.

PROJECTS

- Microservices Platform** | *Spring Boot, Spring Cloud, Kafka, OpenFeign, Eureka, Spring AI, Docker*
- Architected a production-grade **microservices** system with **event-driven communication** via **Apache Kafka**, synchronous inter-service calls with **OpenFeign**, **service discovery (Eureka)**, and **centralized configuration (Spring Cloud Config)**.
 - Implemented end-to-end **distributed tracing** and **observability** with **Micrometer** and **Zipkin**, and integrated **Spring AI** for LLM-powered features across services.
- AI Escalation Agent** | *Python, FastAPI, Microsoft Azure AI Foundry, Azure OpenAI, RAG*
- Designed and built an autonomous **AI agent** in **Python** on **Microsoft Azure AI Foundry** that classifies customer conversations into resolution and escalation workflows using **LLM reasoning**, reducing manual intervention by **60%**.
 - Built **RAG (Retrieval-Augmented Generation)** pipelines with **FastAPI**, **Azure OpenAI** embeddings, and **vector databases**, reducing response latency by **30%** across **500+** weekly conversations.

EDUCATION

- Bachelor of Technology in Computer Science and Engineering** 2021 – 2024
Priyadarshini J L College of Engineering Nagpur, India
- Technical Diploma in Computer Technology** 2019 – 2021
Priyadarshini Polytechnic Nagpur, India
